CEI Equipment Co. and Land O'Lakes BuyPoint™ have teamed up to bring all Land O'Lakes members and member cooperatives exclusive savings and benefits including:

- Land O'Lakes fleet discount extended to all Land O'Lakes members when purchasing new CEI *Pacer* feed trailers or bodies
- Full service sales staff and technical support staff whose goal is to enhance your CEI *Pacer* ownership experience
- Complete line of feed transportation equipment to haul from 2 to 30 ton payloads, with each unit custom designed to meet your specific needs

- A fully staffed service and repair department should the unthinkable happen
- The lowest "total cost" of ownership in the feed transportation industry today

- A full time parts department that has most parts on hand and ready to ship the same day. Overnight express or next day air is available if needed. All major parcel carriers and several LTL carriers available for expediency and cost savings
- Qualified staff members to work with you and your chassis supplier to insure that the final configuration is DOT and Bridge Law compliant. Load-ex weight distribution worksheets available

At CEI EQUIPMENT CO we operate with an "Open Ear" policy. We welcome your comments, suggestions and feedback and will give all the serious consideration they deserve.
